

Help us get it right

If you have a complaint, concern, comment or compliment please let us know by speaking to a member of our staff. We learn from your feedback and use the information to improve and develop our services.

If you would like to talk to someone outside the service contact the **Patient Experience Team** on **0113 220 8585**, Monday to Friday 9.30am to 4.30pm or email **lch.pet@nhs.net**

We can make this information available in Braille, large print, audio or other languages on request.

Service information leaflet

Community Stroke Rehabilitation Team

Who do we see?

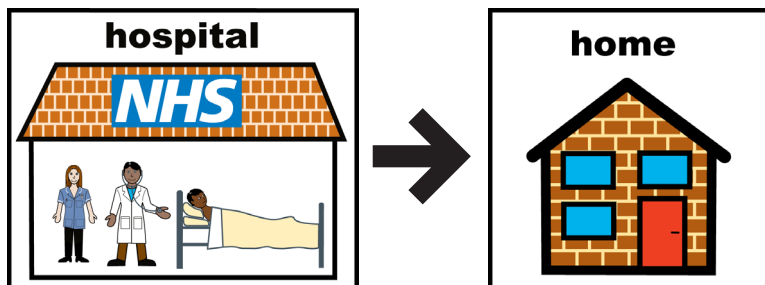

People who...

- Have had a **stroke**
- Are **medically stable**
- Are **over 18 years old**
- Have a **Leeds GP**
- Are **referred from hospital**
- Can be **safely cared for at home**
- Have **rehabilitation goals that can be met in 12 weeks**

How can we help?

- By **working with you** on specific goals
- **Supporting** the transfer of care from hospital to home
- Aiming to **improve your quality of life**
- Aiming to **increase your independence**
- **Providing advice** for you and your carer
- **Working together** with other services

What can we offer?

Stroke rehabilitation within your own home.

The team is made up of professionals with **specialist knowledge, experience and skills.**

This includes:

- **Physiotherapy**
- **Occupational Therapy**
- **Speech and Language Therapy**
- **Dietetics**
- **Nursing**

We also have **technical instructors** and **rehabilitation assistants** who can support you to work towards your goals.

How long will we be involved?

- We can provide **up to 12 weeks of input**
- The **team meet regularly** to discuss your goals and how best to support you.
- Once your **episode of care is complete**, we will **write to you, your GP and others involved** in your ongoing care.
- If you require **further support**, we can refer or **signpost** you to other services that can help.
