

## **Homeless Admissions Leeds Pathway (HALP)**

HALP promote social inclusion, aiming to improve the ability, opportunity and dignity of those who are disadvantaged. We work to facilitate a discharge plan that will help prevent the revolving door of patients going into hospital vulnerable and being discharged with the same level of vulnerability.

### **Purpose of processing**

Leeds Community Healthcare (LCH) through the HALP service provides a care service to support health needs of the patient on discharge and act as an advocate during admission. This requires the processing of patient data. The reasons for processing patient data are:

- To maintain accurate clinical records
- To be able to effectively provide treatment to the patient
- Referral
- Discharge

### **Source of data:**

- Leeds Care Record and Early Discharge team
- HALP Team

### **Categories of recipient**

- SystemOne (LCH's patient management system)
- Crypt
- Housing options
- Social care services
- GP

### **Categories of Personal Data**

- Patient Name
- NHS Number
- DOB
- Care plan

### **Legal basis of processing**

For GDPR purposes Leeds community healthcare's lawful basis for processing is Article 6(1)e '...exercise of official authority...' and Article 6(1)(b) – '...for the performance of a contract to which the data subject is party...' and also Article 6(1)(c) – where processing is necessary for compliance with a legal obligation to which the controller is subject.

For the processing of special categories (health) data the basis is Article 9(2)(h) – '...health or social care...'. Where we process special categories data for employment or safeguarding purposes the condition is Article 9(2)(b) – processing is necessary for the purposes of

carrying out the obligations and exercising specific rights of the controller or of the data subject in the field of employment and social security and social protection law...
