

What people say about us

Excellent and informative three sessions - feel much more confident in making required changes with the knowledge given to us. Many thanks for invaluable help.

Just wish I had come earlier.

I was quite fearful when I was told I am diabetic. Attending these sessions has taken that feeling away.

Help us get it right

If you have a complaint, concern, comment or compliment please let us know by speaking to a member of our staff. We learn from your feedback and use the information to improve and develop our services.

If you would like to talk to someone outside the service contact the **Patient Experience Team** on **0113 220 8585**, Monday to Friday 9.30am to 4.30pm or email lch.pet@nhs.net

Since attending the course I have learnt a lot more about managing my diabetes and the symptoms from high and low blood sugar levels.

What is the LEEDS Programme?

- The LEEDS Programme is a three week course with the option to attend more specialist sessions if you wish.
- Each of the three sessions will last for 2½ hours.
- You will learn all about the up-to-date treatments and management of diabetes.

Who is it for?

The LEEDS Programme is for people who have Type 2 diabetes and are registered with a Leeds GP.

What can I expect from the Programme?

- The Programme aims to increase knowledge and self management skills.
- You will also have the opportunity to explore and address problems that you may have with your diabetes.
- Courses are running throughout the year all across the city of Leeds.
- To book your place or find out your nearest venue and forthcoming dates please complete the form opposite or telephone **0113 843 4200** or email **lch.leedsprogramme@nhs.net** to book your place.
- It is recommended that you attend all 3 sessions to get the most out of the programme. If you wish you may bring along a family member or friend.
