

# Are you a parent/carer of a child or children aged under 19 years old?

Every family across Leeds, starting at pregnancy and continuing through to school leavers, receives support from the **0-19 Public Health Integrated Nursing Service** (formerly known as Health Visiting and School Nursing).

We would like to bring parent/carer views to our service delivery. If you are interested in understanding how we work as a service and sharing your thoughts, please come join our

## Parent Participation Group

If you are interested or would like further information please contact Amanda Jackson, Clinical Team Manager with your contact details by email at [involvement.019@nhs.net](mailto:involvement.019@nhs.net)
