1 Introduction

Leeds Community Healthcare NHS Trust (LCH) is committed to recognising that some employees have contributed to delivery of healthcare services for significant periods of time during their working lives.

2 Aims and Objectives

A certificate will be issued to employees acknowledging 5 years' service with LCH Trust. For employees who have contributed 25 and 40 years' service with the NHS, vouchers will be issued in recognition of service.

3 Definition and Eligibility

Long service is defined as:

- 5 years' service with LCH Trust
- 25 years' service with the NHS
- 40 years' service with the NHS
- Staff are eligible to receive the award whilst in employment if they have the required length of service
- The last 12 months service must have been continuous with LCH Trust
- NHS Service should be aggregated, but need not be continuous
- If a member of staff works for the NHS for the qualifying period of 25 years and then continues to 40 years' service they will be eligible for both awards
- Awards will not be given to employees who have previously received a similar payment in another organisation

4 Responsibilities

Chief Executive has the overall responsibility for recognising the contribution that employees make to the delivery of NHS Services

Director of Workforce is responsible for auditing of the process

Line Managers are responsible for implementation of the policy and are required to manage and act fairly and consistently. Management is responsible for ensuring that the policy is disseminated effectively and observed by all relevant employees.

On a monthly basis the Workforce Information team will highlight the staff who have achieved 5 years' service periods within LCH Trust. These staff will receive a certificate of acknowledgement and thanks, the presentation of which will be agreed locally.

The post-holder's line manager is responsible for leading the resolution of queries relating to their staffs eligibility for an award.

The PA to the Director of Workforce will process the application on behalf of the individual. (See appendix 1)

The PA to the Director of Workforce will ensure that the award details are logged and a written record kept when they are issued

Employees must ensure that the vouchers are redeemed prior to the expiry date, as the Trust will not reissue any expired vouchers

Employees must declare if they have previously received an award of a similar nature in other NHS employment

5 Equality Analysis

The Trust expects the same standards of conduct of all employees. Managers should bear in mind the possibility that some employees may need assistance to follow or understand rules or procedures because of language or disability factors, for example. If such assistance is needed or requested, consideration should be given to providing it.

LCH aims to design and implement services, policies and measures that meet the diverse needs of its population and workforce, ensuring none are placed at a disadvantage over others.

LCH is subject to the equality duty as set out in the Equality Act 2010 and must pay “due regard” for the need to:

- Eliminate unlawful discrimination, harassment and victimisation
- Advance equality of opportunity and foster good relations between people who share a protected characteristic and those who do not

Due regard for advancing equality involves:

- Removing or minimising disadvantages suffered by people due to their protected characteristics
- Taking steps to meet the needs of people from protected groups where these are different from the needs of other people

See appendix 2.

6 Value of the Award

- Staff qualifying for 5 years' service will receive a certificate of thanks
- Staff qualifying for a long service award of 25 or 40 years will be entitled to receive a voucher. There will be no cash alternative to the voucher. Details of where the voucher can be used will be provided when they are issued
- A gift voucher to the value of £150 may be made to employees, whether full or part-time, at the date of completing 25 years service with the NHS.
- A gift voucher to the value of £250 may be made to employees, whether full or part-time, at the date of completing 40 years service with the NHS.

The above shall be net of tax.

7 Ratification and approval process

This policy will be approved by JNCF; it will then be ratified by the Senior Management Team (SMT).

8 Dissemination and Implementation

Dissemination of this policy will be via the Workforce Department, line managers and is made available to staff via the Trust intranet.

9 Review arrangements

The Long Service Award Policy will be reviewed after 3 years.
